

<b>Program</b>	<b>Lecture/Theory/Didactic</b>	<b>Lab/Studio/Activity</b>
<b>Agriculture</b>	synchronous remote	in-person labs run from 8/24 until 11/20 and synchronous remote from 11/20 until 12/11
<b>Architecture</b>	synchronous remote	for each year, half of the students will have in-person labs and studios in weeks 3, 7, and 11 with the other half in weeks 4, 8, and 12 and the rest is synchronous remote
<b>Business/Entrepreneurship</b>	asynchronous and synchronous remote	asynchronous and synchronous remote
<b>Civil &amp; Environmental</b>	synchronous remote	freshmen have in-person labs in weeks 3, 7, and 11; half of the sophomores have in-person labs in weeks 3, 7, and 11 and half in 4, 8, and 12; the rest is synchronous remote
<b>Computer Engineering</b>	synchronous remote	in-person labs happen in weeks 3, 7, and 11 and the rest is synchronous remote
<b>Computer Science</b>	asynchronous and synchronous remote	asynchronous and synchronous remote
<b>Construction</b>	synchronous remote	in-person labs happen in weeks 3, 7, and 11 or 4, 8, and 12 and will be staggered by the department and the rest is synchronous remote
<b>Dental Hygiene</b>	synchronous remote	in-person labs and clinics follow the regular fall term
<b>Electrical &amp; Electromechanical</b>	synchronous remote	in-person labs happen in weeks 3, 7, and 11 and the rest is synchronous remote
<b>Ground Transportation</b>	synchronous remote	freshmen have in-person labs in weeks 3, 7, and 11; sophomores have in-person labs in 4, 8, and 12; no lab content outside designated lab weeks
<b>Landscape</b>	synchronous remote	in-person labs happen in weeks 3, 7, and 11 and the rest is synchronous remote
<b>Math</b>	asynchronous and synchronous remote	asynchronous and synchronous remote
<b>Mechanical &amp; Manufacturing</b>	synchronous remote	in-person labs run in weeks 3, 4, 7, 8, 11, and 12 split by program year (see instructor)
<b>Nursing</b>	synchronous remote	in-person labs and clinics follow the regular fall term
<b>Paramedicine</b>	asynchronous remote	in-person labs and clinics follow the regular fall term
<b>Pilot</b>	synchronous remote or in-person	in-person labs and practica/activities follow the regular fall term
<b>Radiographic Science</b>	asynchronous and synchronous remote	labs run on specific in person dates (see schedule and instructor)
<b>Respiratory</b>	asynchronous remote	in-person labs and clinics follow the regular fall term
<b>Science</b>	asynchronous and synchronous remote	asynchronous and synchronous remote with some in-person meetings in weeks 3, 4, 7, 8, 11, and 12 according to on-campus student availability
<b>Veterinary Technology</b>	synchronous remote	in-person labs run from 8/24 until 11/20 and synchronous remote from 11/20 until 12/11
